The Freedom Builder is the field magazine of the Afghanistan Engineer District, U.S. Army Corps of Engineers; and is an unofficial publication authorized by AR 360-1. It is produced monthly for electronic distribution by the Public Affairs Office, U.S. Army Corps of Engineers, Afghanistan Engineer District. It is produced in the Afghanistan theater of operations.

Views and opinions expressed in The Freedom Builder are not necessarily those of the Department of the Army or the U.S. Army Corps of Engineers.

Articles or photographic submissions are welcome and should arrive in PAO by the 15th of each month preceding publication. They can be mailed to the below address or they can be e-mailed. If electronically submitted, all stories should be in Word document format and all photographs should be high resolution and include photo caption information.

All photographs appearing herein are by the Afghanistan Engineer District Public Affairs Office unless otherwise accredited.

The mission of The Freedom Builder is to support the Commander's Internal Communication Program for the Afghanistan Engineer District. It also serves as the Commander's primary communication tool for accurately transmitting policies, operations, technical developments, and command philosophy to the Afghanistan Engineer District.
