

Capehart Construction Begins Here

"It is with the utmost pleasure that I announce the beginning of 'on site' construction of the 650 unit Capehart housing project here at the Kaneohe Marine Corps Air Station," Col. Jack R. Cram, MCAS commanding officer, stated in an interview Tuesday.

cluding mortgage closing, were concluded in Washington, D. C., last Thursday by the Barry Richards Construction Co. Having passed this critical point, construction of the much needed housing has arrived at the final "green light."

"After more than a year of research, planning, negotiation and

work by military and civilian employees here at Kaneohe, with the wholehearted cooperation of numerous military and civilian employees at the 14th Naval District, with the diligent and untiring efforts of the Barry Richards Construction Co., the dire lack of housing at Kaneohe will at last, in a large measure, be answered," Col. Cram added.

Planned opening date for the first units is not yet firm but the prolonged contract negotiations have definitely ruled out the September opening forecast some months ago. Most hopeful estimate at this time is for December with a January, 1959, opening virtually a certainty.

Official ground breaking ceremonies for the project will take place in the immediate future, quite possibly sometime during the next week according to a 14th Naval District construction spokesman.

Details, including time and date, of the ground breaking remain to be worked out between the Barry Richards Construction Co. and MCAS representatives.

Windward Marine

VOL. VII, No. 28 U. S. MARINE CORPS AIR STATION, KANEOHE BAY, T. H. Thursday, July 3, 1958

MARINE COMMANDANT URGES REPEAT OF SAFETY RECORD

WASHINGTON, D. C., June 27 — Marine Commandant, General Randolph McC. Pate, has called on all Marines to duplicate their "fatality free" Memorial Day weekend during the coming 4th of July weekend. Not one of the 371 persons who died in traffic over the Memorial Day weekend was a Marine, the Commandant proudly noted.

The July 4th weekend promises to be an equally stern—and probably more severe—test on drivers.

"We may be justly proud of this single exploit," General Pate said. "Such performance is in keeping with our highest traditions and once again proves what we can do if we set our minds to it."

"However, we must not lose sight of the fact that the battle for highway safety is never-ending.

"We have proved, by this one instance, that death on the highway is avoidable. By so doing, we are more than ever committed to continue our safety efforts in this respect."

A check with the Hawaiian Armed Services Police revealed that Kaneohe-based Marines were involved in two auto accidents over the Memorial Day weekend. In one of the accidents a Marine was seriously injured.

The National Safety Council warns that there are usually more highway deaths over the July 4th weekend than Memorial Day. The reason, it points out, is that the 4th occurs during the peak of the summer vacation season.

The Council, basing a report on the last Labor Day weekend, also adds:

That accidents occurred most frequently early in the weekend... speed was involved in 71 per cent of the cases... drinking was a factor in nearly half of the mishaps... accidents occurred most often during evening hours... non-coll-

sion accidents were the most frequent type... 82 per cent of the accidents happened in rural areas... single driver accidents were most frequent... and, finally, victims were usually the drivers

And one of those drivers, of course, could be you.

MajGen. McAlister Visits Brigade Here

Major General Francis M. McAlister paid his first official visit to the 1st Marine Brigade yesterday morning since assuming duties as Deputy Commander, Fleet Marine Force Pacific last month.

After the traditional honors on Dewey Square, the General was briefed by the general staff officers and organizational commanders in the Brigade headquarters.

This is the General's second tour of duty in the Hawaiian Islands, having served as Chief of Staff, Fleet Marine Force Pacific in 1953 and 1954.

A veteran of the Korean fighting and seven World War II campaigns, the General holds the Silver Star Medal, the Legion of Merit with Combat "V" and gold stars in lieu of second and third awards in addition to the Bronze Star Medal and the Purple Heart.

Pay Days Scheduled

Tentative Pay days for the personnel of the 1st Marine Brigade and MCAS have been announced by Capt. C. R. Swann, Station Disbursing Officer. The dates are as follows:

July 15 (Tuesday); August 1 (Friday); August 15 (Friday); September 2 (Tuesday); September 15 (Monday); October 1 (Wednesday).

BGEN KIER GRAND MARSHAL IN FOURTH OF JULY PARADE

Brig. Gen. A. R. Kier, commanding general of the 1st Marine Brigade, will serve as grand marshal of the gala Fourth of July Parade to be held in Kailua tomorrow, it was announced this week.

The general accepted the invitation for the second consecutive year from the Kailua post of the American Legion, sponsor of this biggest Windward event commemorating Independence Day.

"Echo" Co., 2nd Bn., 4th Marines, teamed with an ONTOS platoon on flat bed trailers, and the 1st Marine Brigade Band and Drum and Bugle Corps will represent the Kaneohe Bay Marine "force in readiness."

Parade time is 10 a.m., with marching units and floats assembling at Oneawa and Hualani streets at 9:15 a.m. The paraders will proceed down Oneawa st., turning left onto Kuulei Rd., then right on Kainula Dr. past the reviewing stand and into the Kailua High School parking area for the judging of the units and floats. Prizes will be awarded there.

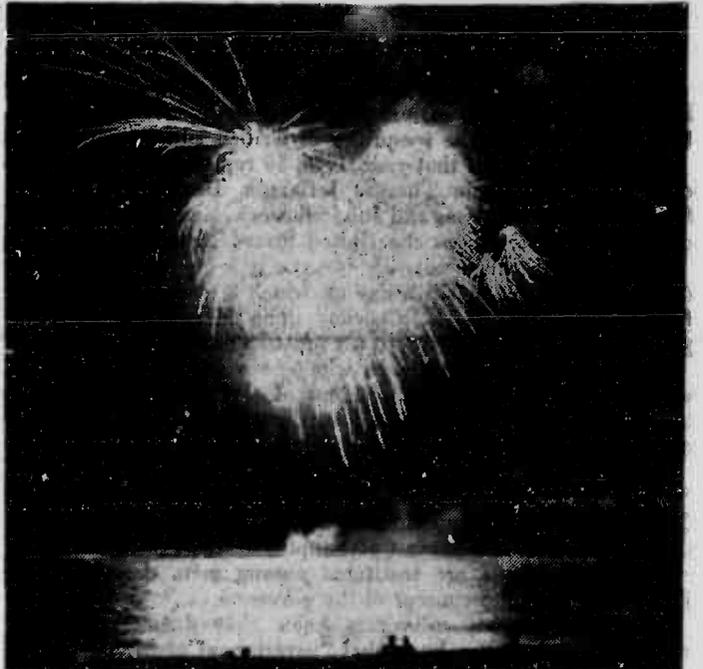

The parade has been divided into four sections: the regular establishments of the Armed Forces, the reserve forces veterans and civic groups, and senior and junior marching units and floats.

After the parade, festivities shift to Kailua Beach where outrigger canoe races will be held in addition to other scheduled entertainment. "Happy" Hanhohano, chairman of the entertainment committee, plans to have Hawaiian, Tahitian and

Dixie style music and numerous speciality acts. Refreshments will be available at the beach.

A professional display of aerial fireworks on Flat Island, offshore from Kailua Beach, is scheduled for

8 p.m. This \$1000.00 fireworks display, the greatest exhibit of its kind in this area, will be fired at the rate of 40 bursts a minute, climaxing with a tremendous bombardment in the final two minutes.

SKY-HIGH SPECTACLE—Fireworks, such as these, erupting from Flat Island off Kailua Beach will climax the local community's Independence Day celebration. Scheduled for 8 p.m. Friday, the professional display of aerial fireworks will be the greatest exhibit ever held in this area. Last year approximately 10,000 spectators, including military personnel and their dependents, witnessed the colorful demonstration.

VMF-232 'RED DEVIL' SQUADRON JETS MARK 10,000 HOURS OF FLIGHT TIME

Swept-wings glinting in the sun, "Whiskey Tango 16," a FJ-4 Fury jet piloted by 1st Lt. Donald Macaulay, touched wheels down last Friday on K-Bay's main runway—and scored another notable mark for the "Red Devils" of Marine Fighter Squadron 232.

This marked 10,000 hours of flight in the FJ-4 during Fiscal Year 1958 which ended June 30. The Red Devil unit is the first Marine squadron to perform such honors with this particular aircraft.

Colonel Paul J. Fontana, Marine Aircraft Group-13 commanding officer, and squadron personnel greeted the pilot upon return to the VMF-232 flight line. Red Devil ground crewmen then dunked Lt. Macaulay and his plane captain, Pfc. James T. Gillis, in Kaneohe Bay, denoting the commemorable event.

Equipped with the FJ-4 Fury, a swept-wing, single engine, high altitude fighter built by North American, Red Devil pilots flew over 7000 sorties and logged more than 7400 landings during the past twelve months. Missions flown include air to air missile firing, air to air gun-

nery, air defense interceptor scrambles, reconnaissance, navigation and instrument flights, close air support, night ground controlled intercept, fighter combat tactics and field carrier landing practice.

Also during this same period VMF-232 aviators racked up additional honors aboard the carrier Bennington during carrier qualification last month. While amassing 234 arrested landings, the unit made 163 touchdowns in one day to establish a new jet arrestment record for the Bennington. 1st Lt. Leo Carelli chalked up duel marks for the carrier, scoring the 48,000th landing and the 10,000th launch from the starboard catapult.

One of the unit's highlights for the fiscal year was copping the runner-up spot in the air to air gunnery competition during the 1958 Naval Air Weapons Meet. The VMF-232 flight team and maintenance crew brought two trophies and four titles to K-Bay from the five-day event, including a new Fleet Air Gunnery Unit fire out record of 97.7 per cent.

The squadron also has partici-

pated in 22 exercises and in addition, checked out 133 pilots, without incident in the FJ-4 this past year.

In mileage, Red Devil Furies have traveled the equivalent of more than eight round trips to the moon, 160 trips around the earth's equator or 1000 round trips to the mainland. In the process the jets have gulped approximately 4,500,000 gallons of fuel.

Squadron shop and line crews devoted over 250,000 specialized maintenance hours just to keep the engine, airframe, armament and electronics components in operational condition.

Routine 60 and 120 hour checks were made by the night crews under the direction of Maj. William C. McGraw, squadron engineering officer, as were the more complex repairs sometime needed.

Instrumental in the record pace set by the Red Devils were 1st Sgt. Ernie O'Neal, VMF-232 sergeant major, MSgt. Charles Strauss, maintenance chief, TSgt. G. R. Muncy, ordnance chief, TSgt. L. J. Still, electronics chief, SSgt. R. C. Blerman, line chief and other shop NCO's.

MAN OF THE (10,000th) HOUR—1st Lt. Donald Macaulay beams happily as he emerges from the cockpit of his FJ-4 Fury after racking up the final time needed to complete 10,000 hours for VMF-232's Furies during fiscal year 1958. The eventful "hop" was made last Friday. (See "Red Devils" picture story on page 4.)

A REMINDER

One hundred and eighty-two years ago the population of 13 British colonies in the eastern part of North American decided it had had enough of the inequities of British rule.

And so, on July 4 of that year, 1776, 56 representatives of those colonies, among them Thomas Jefferson, Benjamin Franklin, Samuel and John Adams and John Hancock, signed a Declaration of Independence. It was the United States' birth certificate.

We celebrate July 4 not only because it is our country's birthday but because it marks a day on which a group of incredibly foresighted men founded a society upon ideas and democratic principles theretofore reserved for idealists only.

Thomas Jefferson, the man who wrote the Declaration and was to become the third President of the United States, perhaps best summed up the document by calling it an "expression of the American mind."

And what is this American mind? It is the conviction that "all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just power from the consent of the governed..."

Jefferson and his colleagues knew that democracy rested with the people. They knew that "government of the people, by the people," as Abraham Lincoln was to say almost 100 years later, was the key to and truly free society.

These men, and other great men to follow, put government and freedom in the hands of the people. Making government work and freedom last is everyone's job. Vote!

Pre-Kindergarten Classes Slated At Station Nursery in September

Beginning in September, the station nursery will offer the additional service of a pre-kindergarten nursery school on a five day a week basis. Daily sessions of the school will be from 8:45 to 11:45 a.m. Transportation for children to and from school will be included in the cost of tuition. Pre-kindergarten school will be divided into two separate classes by age groups. Three-year-old youngsters will be in the junior class while those four years of age will be seniors.

A regular curricula geared to each age group is to be initiated including rhythm sessions, dancing, clay modeling, painting, educational field trips and many other activities associated with pre-kindergarten school. The entire program is designed to assist the youngsters in making adjustments to group situation and cooperative play and will provide an excellent preparation for the children's entrance to the regular public schools.

Mrs. Kathleen Schackley, manager of the Station nursery, will direct the school. She has been associated with child education for many years and is particularly qualified for her duties as supervisor. She will be assisted by two trained teachers with experience in handling children of the planned age groups.

There will be a limited enrollment of 30 children per junior and senior class. Two semesters are planned, one to start in September, and the other in January, with a regular graduation in June for the children who successfully complete both semesters.

Registration for the fall semester will commence at the Station nursery, July 15 with a tuition fee of \$60.00 tentatively established for the four month program. An initial registration fee of \$5.00 to cover cost of supplies is required for each child and arrangements to pay the tuition fee in monthly installments can be arranged.

As enrollment is limited, parents desiring to enroll their children in the fall semester are urged to register them on registration day or as soon after as practicable. Enrollment is on a first come basis and will be closed when the full enrollment of 30 per class is reached.

Chaplain's Corner

By CHAPLAIN C. A. AUEL

"OH, WOE IS ME!"

A classic statement—"Oh, woe is me!" It can be said in many different ways, too. "I've had it." "What's the use?" "It'll never work." "All is vanity." "I'm licked." "I used to be a good guy, until I got into this cotton-pickin' outfit, and now I'm all fouled up." Classic statements? Well, if not really classic, at least very common. And they all say essentially the same thing, that "I feel sorry for myself."

There are certainly many reasons for this sort of feeling. Some of them are easy to see. Others are often difficult to even try to understand. And the tendency is to look around and pick the nearest thing to me as the cause of all my troubles. This too can be said in many ways. "It's the Marine Corps." "My wife doesn't understand me." "It's not really my fault, it's drinking." "If I'd been sent anywhere but Hawaii, I'd have been alright! Hawaii is the blame." OH WOE IS ME!

When we really become interested in being a more happy, satisfied person, one of the first steps takes place when we are shaving. That is, to say out loud, "Oh, woe is me!" The next step then is to take a good look in the mirror. For there, larger than life, is the basic reason for the way I feel. No one else but ME is responsible for ME!

Pfc Hines Named Marine of Month

Pfc. Michael J. Hines, a radar technician, was selected Monday as MACS-2's Marine of the Month.

His Commanding Officer, Maj. R. J. Butters, praised Hines for his prolonged and sustained outstanding performance of duty.

The citation read in part, "It gives me great pleasure to commend you . . . for your exemplary performance of duty during the past 12 months."

"You have done outstanding work while assigned to the night maintenance crew; a position of special trust and assigned only to personnel who are exempted from basic training and demonstrate a superior knowledge of their work."

"Through your knowledge and reliability as a Marine and radar technician you have contributed greatly to the successful operation of the squadron."

Hines a native of Pittsfield, Mass., enlisted in the Marines Corps in June, 1955.

CASH SALES CALENDAR

Cash sales and individual clothing issue schedules for the following week are as follows:

Monday: 7:30 a.m. 2nd Bn., 4th Marines; 12:30 p.m. 2nd Bn., 4th Marines.

Tuesday: 9:00 a.m. 3rd Bn., 12th Marines; 12:30 p.m. 3rd Bn., 12th Marines.

Wednesday: 7:30 a.m. M. T. Bn.; 9:00 a.m. HMS-2; 12:30 p.m. Hq. and Hq. Sq.

Thursday: 7:30 a.m. Hq. Co., 4th Marines; 9:30 a.m. VMA-212; 12:30 p.m. MACS-2.

Friday: 7:30 a.m. E Med and H&S Ser.; 12:30 p.m. Hq. Co., 1st Marine Brigade.

The Inquiring Photographer

By SGT. SAM ZAGARELLA

The question asked this week by your inquiring photographer was, "What do you plan on doing over the long 4th of July weekend?"

CPL. MANUEL MEDEIROS, H&S-2-4—I'm going home! My home is in the "big island" so that is where I will go with my extra day of liberty. I can't think of a better place to spend it.

MRS. JANE MARIMOTO, Exchange Employee — I don't have anything planned. Not much can be planned because the exchange will be open Saturday and we must be at work.

CPL. ELTRA MOODY, H&S-2-4—I'll just be going into town. More than likely I'll stay at Ft. De Rusey and right around Waikiki. I plan on doing some swimming and going to the fair.

HM3 N. W. ANDERSON, Medical Dept.—I'm pretty short so most of my weekend will be spent getting my gear ready. This will probably be the best 4th of July I've spent in a couple of years.

SSGT. JOHN HOFFMAN, Hq. Co. — Probably enjoy myself by going out and playing tennis or golf. It is a long week-end and we have just been paid so anything can happen and probably will.

SSGT. VIRGIL HICKMAN, Hq. Co.—I plan on going to the fair for one thing. I can't really say what will happen for the remainder of the weekend.

Fourth of July Menu

French Onion Soup	Shrimp Cocktail
T-BONE STEAK	
Grilled Onions and Mushrooms	
Buttered Mixed Vegetables	French Fries
Salad Bar	Hot Rolls
Assorted Cup Cakes with Ice Cream	Bread
Coffee	Butter
	Milk

Days since last accident	13	5

Above figures cover up to and including July 1. Inattention to driving is the major contributing factor in On-Station accidents.

MARINES AND AUSSIE SAILORS BATTLE; JOLLY GOOD TIME HAD BY ALL HANDS

SINGLES WINNER—Capt. Thurston B. Barron (left), 3rd Bn., 4th Marines, is congratulated by Australian Navy regulating petty officer Boris Tylee, HMAS Melbourne, upon winning the duo's singles match 6-2 and 7-5 in a series of three games. The Aussies won four out of five singles to cop the tennis event.

TIPS FOR SHOOTERS—Sgt. Gerald Stacy (left), "G" Btry., 3rd Bn., 12th Marines, explains sight settings for windage and elevation of the M-1 rifle to Naval Shipwright Jeffrey McKenzie (center) and Leading Airman Donald Bruce, both from the Australian carrier HMAS Melbourne. The Leathernecks aggregated 168x190 while the Aussies tallied 148x190.—PHOTO BY SGT. "SWEDE" WALSTEN.

Top athletes from the 1st Marine Brigade snatched two of three events from Australian carrier HMAS Melbourne teams in a special rifle, soccer and tennis tourney held here last Thursday afternoon.

A tight defense and a steady last half drive exerted by the Marines enabled them to score a major upset, trouncing the Aussies 5-1 in the soccer event.

Sparked by Sub-Lt. Carpenter's effective goal guarding, the Melbourne team controlled the field during the opening half allowing the Leathernecks to score only one goal.

On the tennis scene, the Aussies had charge of the courts as skillful players forced Marines to the nets and then into long range play.

The Melbourne crew racked up four out of five wins for the tennis title. Tennis is a national sport with the Australians.

However, close-in plays and long drives gave Capt. Thurston B. Barron the margin and a match victory as he bested Regulating Petty Officer Boris Tyle, 6-2 and 7-5, for the Marines only tennis win during the singles. Rain cancelled the doubles.

The Leathernecks kept their undisputed perch in marksmanship as the Brigade team outfired the Aussies with a team aggregate of 168x190. The Melbourne six tallied 148.

Unaccustomed to the M-1 rifle and unfamiliar with the off-hand position, the Melbourne marksmen fell easy prey to the sharpshooting Marines. Despite the handicap, the Aussies displayed gritting determination with the virtually unknown weapons doing particularly well in the 200 and 500 yard ranges.

The Australians, at the invitation of Brig. Gen. A. R. Kier, accepted the challenge to pit prowess in these events against Brigade personnel. Thirty Melbourne crewmen, hosted by the Brigade teams, lunched in Messhall Number Two before competing in the contests which got underway at 2 p.m.

Col. Cram Praises School Bus Drivers

SSgt Robert E. Graham, NCOIC, bus section of the transportation division, and 20 bus drivers, including two civilians were officially commended this week by Col. Jack R. Cram, Station commanding officer.

Sgt. Graham's citation read in part "... the evaluation of the requirements needed to transport dependent school children living both on and off Station; the planning and establishment of the most feasible bus routes commensurate with school bus patron requirements; the screening, training and assignment of the most capable personnel as school bus operators; the daily inspections of buses to ascertain mechanical safeness ... the fact that during the school year 191,800 school children were transported to and from school over a total of 67,951 accident-free miles is mute testimony of your ability to select the most competent drivers and plan the safest scheduled routes ..."

Commended for the safe driving over the school term were: Sgts. Ralph H. Brownell, Edward J. Janicak, Henry K. Keohuhu, Cesar P. Batalon, Loui A. Ahkoi Samuel L. Bannister, L. B. Marker, Paul G. Nauth, M. F. Pass, Gerald L. Schelle, Thomas C. Stevenson, Jack C. Van Douser, Andrew K. Watson; Cpls. George H. Beason, Jimmy Craft, William Timbrez and Pfc's R. L. Hall and Andrew J. Hawes.

Civilian bus drivers commended were Louis Morreira and Agnes Ah Nee.

First American Marines in European waters during the Revolution were those serving aboard the "Reprisal." This vessel took Benjamin Franklin to France in 1776 and later captured several British prizes.

CHANGE OF COMMAND—Lt. Col. S. V. Titterud, left, outgoing commanding officer of MAG-13's HMR(L)-161, passes the squadron guidon to the hands of incoming CO, Maj. Donald A. McMillan. The formal change of command ceremony took place on the Hangar 101 parking ramp Tuesday.

DEPARTING HMR-161 CO JOURNEYS TO FAR EAST

During a formal squadron parade and review ceremony conducted on the ramp adjacent to Hangar 101 today, Maj. Donald A. McMillan assumed command of HMR(L)-161. He relieved Lt. Col. S. V. Titterud who will depart soon for duty with the 3rd Marine Division.

Col. Titterud has served as commanding officer of the squadron since his arrival here in August 1956. Maj. McMillan had been serving as executive officer of the unit since his arrival in November 1956. Briefly he served as squadron S-3. Maj. A. R. Causer will move into the squadron executive officer vacancy.

The new commanding officer saw action in the Marshall Islands and Okinawa during World War II and during the Korean conflict.

His awards and decorations include the Distinguished Flying Cross with one star and the Air Medal with 18 stars.

Col. Titterud's awards include the

Distinguished Flying Cross and three Air Medals earned as a dive bomber pilot during World War II as well as five Air Medals for over 100 missions during the Korean conflict.

He also wears a Korean Letter of Commendation ribbon awarded for special night aerial movement of troops.

Regimental Officer Promoted to Major

Gold oak leaves, signifying promotion to a new rank, were pinned on Maj. Edmund W. Hanlon Tuesday by Col. John H. Masters, commanding officer, 4th Marines.

Maj. Hanlon is regimental adjutant and S-1 officer.

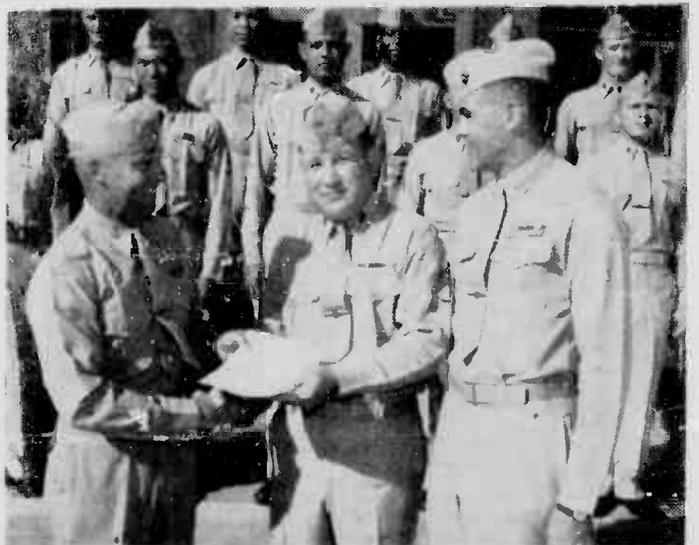

He joined the Marine Corps in July, 1943 and, after almost five years as an enlisted man, was commissioned a second lieutenant in 1948.

For action while serving with the 1st Marine Division in Korea in 1950, he was awarded a Silver Star and Bronze Star with Combat "V."

Other decorations awarded Maj. Hanlon include a Purple Heart for wounds received at Okinawa during World War II and a gold star in lieu of a second Purple Heart award for wounds received during the Korean conflict.

BANK OF HAWAII OPEN UNTIL 6 P.M. TODAY

Manager W. M. Vannatta of the K-Bay branch of the Bank of Hawaii announced that due to the holiday tomorrow, the bank will be open from 9 a.m. to 6 p.m. today.

WELL DONE—Col. Jack R. Cram, CO, MCAS, congratulates SSgt. Robert E. Graham following Meritorious Mast during which the NCOIC, Transportation Division (Bus Section) was cited for his outstanding performance of duty during the past school term. During the past year the bus section transported 191,800 school children over a total of 67,951 accident-free miles. Capt. D. N. Thomas, Station Transportation officer looks on.

'Space Available' Travel Curtailed LYRIC CONTEST EXTENDED BY 4th MARINES

Personnel desiring transportation between Hawaii and the West Coast should not depend on obtaining "space available" accommodations on MSTs vessels.

A COMFOURTEEN Notice points out: "The number of MSTs vessels operating in the Pacific was recently reduced as part of the overall reduction in force accomplished by the Navy. In addition the Commander Military Sea Transportation Service has advised that an increased reliance on commercial passenger space for surface travel between Hawaii and the West Coast will be necessary. This change in policy has already resulted in a maximum allocation of surface lift requirements via commercial sailings."

"The prospect for space available travel in the foreseeable future is definitely not encouraging. Personnel desiring to request this category of travel should be advised that such transportation will probably not be available; therefore, they should be prepared to obtain transportation at personal expense."

The contest to find suitable lyrics for the 4th Marines marching song, "My Bonnie Lassie," has been extended until July 31.

Originators of the lyrics found most acceptable will receive a \$50.00 gift certificate from the regimental recreation fund. Any single stanza worthy of inclusion will be worth \$10.00 to the lyricist.

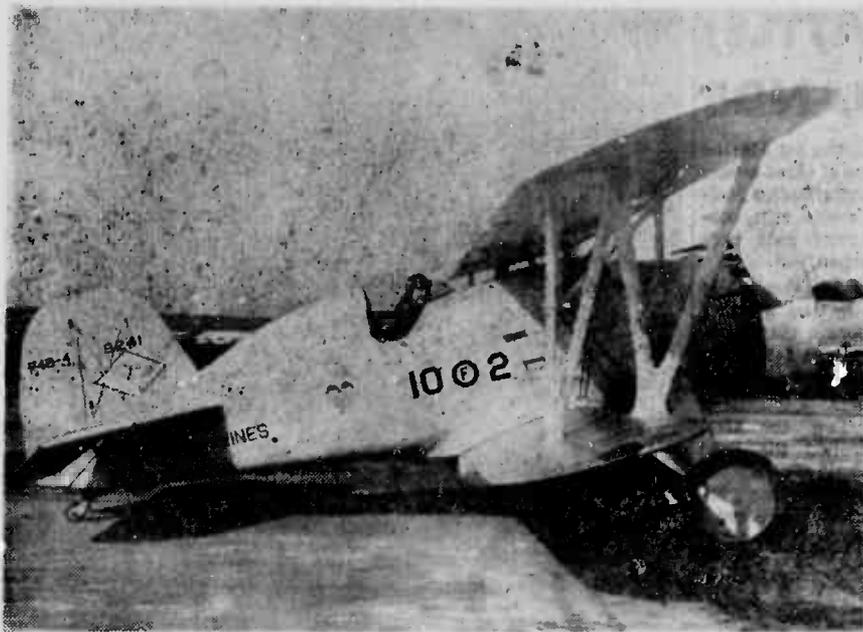

Words for the song must be at least four verses of four line stanzas.

Contestants must submit their lyrics to the 4th Marine headquarters by July 31.

HULA CLASSES OFFERED AT K-BAY TEEN CLUB

A beginners' hula class is now underway for K-Bay dependents at the Teen Club.

Registration information may be had by contacting the instructor, Jane Kamanu, on Tuesday mornings at the Teen Club or by calling her at 257294.

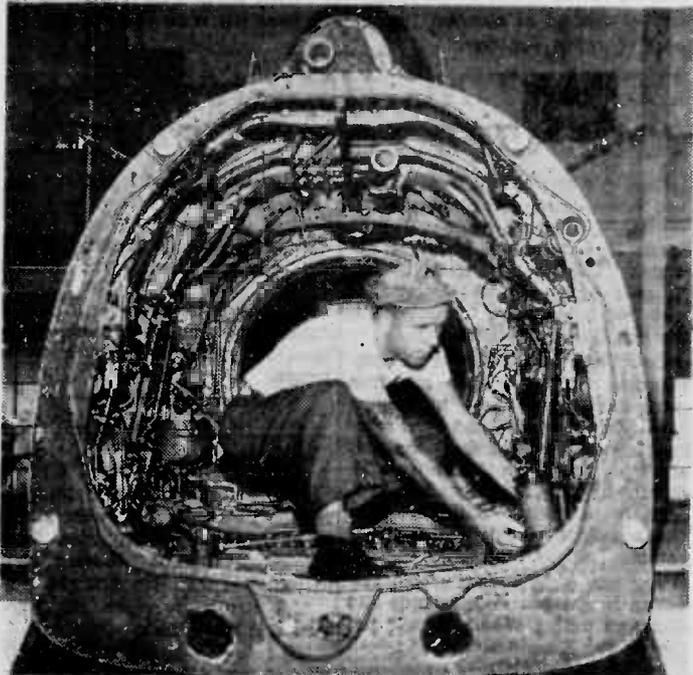

PIONEER RED DEVIL—One of the first aircraft to bear the famed Red Devil insignia was this Beech F4B-4 scout bomber of about 1932 vintage which carries the Red Devil and trident on its tail. After serving as the insignia in the pre-World War II squadrons, the Red Devil became the official mark of Squadron 232 just before Pearl Harbor and was carried into almost every theater in the South Pacific fighting.

FIRST LINE FIGHTER—Compared to the rickety biplane on the left, one can see the breathtaking changes in aircraft design in the past 26 years. This sleek, new FJ-4 Fury jet now on the Red Devil runway incorporates the best instruments, powerful jet engine and safety features in its design that would bewilder a pioneer 232 pilot.

TEAMWORK PAYS OFF FOR 'RED DEVIL' MEN

SEE STORY PAGE 1

EXHAUST FITTING—SSgt. Roger Kopp replaces an oil exhaust pipe inside the body of a YMF-232 Fury jet. Oil used in lubricating the FJ-4's engine takes a one-way trip. It is not recirculated through the powerplant.

10th HOUR BRIEFING—Capt. Lewis H. Abrams (right) briefs his flight on high altitude and high speed performance of the FJ-4 Fury jet. Listening attentively are (from left) Lts. Dick Jones, Dave Vanderveer, and Tom Hartley. These pilots are members of the famous "Red Devil" Squadron, a unit of Marine Aircraft Group-13, based at the Kaneohe Marine Corps Air Station.

AIR SUPPORT—A flight of YMF-232 Furies approach the landing area in support of the 1st Marine Brigade's ground arm, the 4th Marines, during a recent air-ground operation on Mokapu peninsula. Without the aggressiveness that this flight of Red Devil jets demonstrates, the capability of their fellow Marines hitting the enemy would be greatly limited.

INSPECTION—SSgt. Bob Terwilliger, YMF-232 ordnance man, makes a visual inspection of the 20mm aircraft cannon. This cannon can deliver approximately 1,500 rounds per minute. The gun has an electrical firing system and is air-cooled.

Civil Service News

CASH FOR BENEFICIAL IDEAS

Last Friday was a happy and profitable day for Albert F. Quinta, refrigeration mechanic in Public Works, who received \$95 in cash awards for five adopted beneficial suggestions. His ideas included: an improvement in the air line running into the Refrigerator Shop—\$15; wire cage around ice flake condenser—\$15; cover inspection holes around Bldg. 1089—\$30; cover overhead pipe railing back entrance of Bldg. 212—\$20, and safety improvement affecting night bell switch in Transportation—\$15.

Also in Public Works, Herbert M. D. You received \$20 for his idea to install road signs in the Ulupau Housing area. An award of \$15 went to George L. T. Ah Fong for his improvement idea concerning replacement of fixtures in barracks. Hideo Arakawa was awarded \$15 for an improved revised log sheet in PW main plants.

In the Supply Department, Francisco Inovejas received \$15 for his improvement idea to install signs to direct personnel to proper area for shipment of personal effects. Twenty dollars went to William M. Parton for his safety suggestion on installation of a fuel loading metal guide hook on tank trucks.

HUI O MOKAPU GOLF CLUB HOLDS ANNUAL TOURNAMENT

The Hui O Mokapu Golf Club held their annual Ace of Aces tournament on June 14 at the Waialae Country Club. Coveted Ace of Aces trophy, a gold cup, went to Richard Sampaio for a net 66. Runner-up trophy was awarded to Reginald Young for a net 67, and third place to Kunimitsu Tamai for his net 68.

Installation of officers for the ensuing year was conducted following the tournament. Yutaka Kusumoto is president, Ed Lum, secretary-treasurer. Further tournament schedule will be announced at a later date.

ORDONEZ LEAVES MCAS

Word has been received that Gavino "Bobby" Ordonez is transferring to Norton Air Force Base in San Bernardino, Calif. Bobby will be missed by his many friends here.

NEW EMPLOYEE

Public Works Office welcomes Sadaichi Murakami, Mail and File clerk in the Offices Services Branch, who transferred from NSC, and Leonard B. Martin, laborer, in the General Services Branch.

Supply Department greeted Louis K. Mahoe, utilityman, June 20. Louis will be employed in the Sales Commissary.

PLANS COMPLETED FOR BOWLING BANQUET

Bowlers of the MCAS Mixed Handicap Tuesday Bowling League will hold their banquet, Saturday, 6:30 P.M. at the Pali Palms in Kailua. Steak dinners, awarding of trophies, and dancing will complete the evening of fun. Final position standings will be in next week's news so be sure to watch for them.

EMPLOYEES INSTRUCTED ON USE OF STUD GUN

Forty-eight employees from the Supply and Public Works Departments received instruction last week on the proper use of the Remington powder actuated stud driving gun, which is used for driving metal pins or studs into objects by means of an explosive charge.

Highlights of the session included the importance of using proper safety precautions while operating this gun and restricting its use to qualified operators only.

Upon request of the Safety Division, Mr. James Hastrup, manufacturer's representative, conducted the training.

COMPTROLLER EMPLOYEE ILL

Glad to report that Emilia Kailo, Time, Leave, and Payroll Supervisor in the Accounting Division is recuperating at home after a recent illness. Emilia is expected back to work in another two weeks.

SAVE YOUR MONEY THE CREDIT UNION WAY

With the added money coming in for all graded Civil Service employees now is your opportunity to build up your shares account in your MCAS Federal Credit Union.

During the past six months, the credit union has been very active in helping people by giving out more than 80 per cent more loans than last year. The Credit Union would now like you to increase your savings account so that you may benefit by building up capital for your future as well as your fellow members.

PROMOTIONS

Congratulations to the following employees on their recent promotions: Donato Tachas, Samuel Y. Y. Chun, Edwin J. H. Hu, Masami Kasadate, and Michiko Frieszel, Supply Department, and Richard W. J. Lum, Public Works Department. Also congratulations are due Harlan F. Kurisu, Supply Department, and Benjamin Figueroa, Public Works, whose appointments have been converted to "career."

SEPARATIONS

This activity regrets losing the following employees who resigned

recently: Beatrice Mitchell, Caesar V. S. Robley, Jr., Supply Department; and Muriel M. Nixon, Public Works Department.

The employees of the Marine Corps Air Station extend their deepest sympathy to Walter Souza, whose father passed away June 27. Funeral services were held this past Wednesday at Diamond Head Cemetery.

CREDIT

"Quality of being believed or being worthy of belief; trustworthiness; reliance on the truth or reliance of something; belief, faith." These are some of the descriptive words that Webster uses to define the meaning of the word credit. Credit is probably the most valuable asset that you have.

Have you ever stopped to think just what credit means to you? Without credit the average American family could not afford such things as homes, cars, TV sets, etc. Or at least if they could afford them, they would probably have to do without them for several years while they accumulated sufficient money to pay cash for such articles. Our high standard of living in this great land is directly related to the wise use of credit.

It is almost inconceivable how a person can abuse credit if he stops long enough to think about the value of credit. It is further inconceivable how a person who unintentionally overobligates himself can then refuse to take every action necessary to make satisfactory arrangements with his creditors. The vast majority of creditors will gladly adjust the terms of their contract with their debt or if the debtor approaches them in the right manner, explains the circumstances, and displays an attitude of wanting to do what is right. Here again, a man's credit is not harmed by the fact that he has to readjust his payments as long as he lives up to the readjustment.

Many items such as cars, TV sets, and furniture are bought on conditional contracts. Some employees have the opinion that such items can be returned to the dealer and this automatically settles their account. This is far from the truth. The dealer may elect to sell such property to the highest bidder and can usually secure judgment against employees for the difference between the cash balance plus the amount the employee has paid on the article and the original selling price. Return of property to a dealer after using it for any period of time automatically makes such property second-hand property. The dealer, of course, cannot sell such property as new property. Therefore, any loss is the responsibility of the purchaser. When you return items of this nature, be sure that you and dealer arrive at a satisfactory settlement, and the terms of the settlement should be in writing. Credit wisely used is a very important part of the American way of life. Credit unwisely used can destroy you.

WHEN INJURED AT WORK

Do YOU know what to do and what are your rights under the employees compensation law? You, your family, and your family's future may be dependent upon a thorough knowledge of this law.

1—Report every occupational injury to your immediate official superior without delay. If others were present at the time of your accident, get their names as witnesses.
2—Secure first-aid treatment first. Infection is painful and costly to you.

3—Consult your superior for the proper forms needed to secure adequate medical treatment and to file a notice of injury, Form CA-1.

4—Claim Form CA-4 for compensation should be submitted promptly whenever any loss of pay is involved.

5—A SAFE WORKMAN draws full pay regularly. Avoid the accident that causes the injury, but if you ARE injured, abide by the rules that assure full protection to yourself and your family.

NCO Wives Club

by PEG FOLEY

The Staff NCO Wives Aloha Coffee will be held Friday, July 11, at 10 a.m. at the Staff Club. Any member who knows of a Staff wife who is a new-comer to the Island is asked to contact Mrs. Robert E. Clapsaddle, Phone 250015, so an invitation may be extended to her.

The Regular Monthly Business meeting was held this past Tuesday, July 1. Aloha gifts were presented to Mrs. Alex Damrod and Mrs. Wiley Weaver.

Both the children and adult hula classes are being held each week. Madeline Peris, the teacher, would appreciate it if any of the people who originally signed up for the classes, and now find they are unable to attend would call her at 255-420. This is most important as she is planning a program for the next social meeting.

All Staff NCO Wives are cordially invited to attend the meetings of the club. The business meeting is held on the first Tuesday of each month, and the social meeting is held each third Tuesday of the month. All the meetings are held at the Staff NCO Club at seven-thirty p.m.

Express and Deluxe Lanes in Operation At Service Station

In addition to the deluxe service offered at all times on the Deluxe Gasoline Lanes at the K-Bay MX service station, deluxe service will be given on the Express Lanes, except on paydays and during rush periods. During these periods the Express Lanes will be used only for gasoline.

Other new improvements at the service station include automotive repairs, a \$1.00 car wash and expanded lubrication facilities.

Patrons can contact the head mechanic for such services as engine tuneups, replacement of brake linings, tailpipes, mufflers and other minor repairs. Appointments for lubrication jobs are not necessary.

Bulletin Board

Notices and ads must be submitted in writing to the Informational Services Office, Bldg. 220, no later than 4 p.m. each Tuesday.

U. S. MARINE CORPS AIR STATION, KANEHOE BAY, T. H.

Thursday, July 3, 1958

TAPS—Walter Nakama closed the lights for Delphin Angelas during Monday night's final bouts of the 3rd Hawaiian Area Marine Novice and Open Boxing Tournament held at K-Bay. The two Kaneohe Marines were entered in the 119 lb. Novice class.

WALKER; TERRONES OBTAIN OUTSTANDING RING PRAISE

Thursday night climaxed the Third Hawaiian Area Marine Novice and Open Boxing Tournament here. In a knock-down drag out 16 bouts many titles were claimed and reclaimed as the Marines engaging in the art of fisticuffs gave their all.

The spotlight bout of the evening was in the 147 pound open class between Cpl. Eddie Woods, Serv. Bn. and George Walker, Hq-3-12.

Woods came out swinging from the start and was connecting with the blows that counted. He continued to hit hard and fast but the endurance of Walker proved greater than expected. Walker dropped in the first round but got back to his feet and kept in there punching all the way. The second round got under way with Woods taking the upper hand and giving Walker the short end of the stick throughout. In the final round Walker came out strong but Woods was just too much for him. The latter threw a series of hard stinging body blows that dropped Walker for the count.

This is the second time that Walker has been dropped by Woods. The trophy for "Outstanding Fighter" went to Walker at the end of the evening's matches.

Carl Jordan and Tony Miral in the 112 pound open mixed it up for the complete bout with Jordan emerging victorious.

In the 119 pound open the experience of Walker Nakama was too much for Delphin Angelas to handle. Nakama was methodical throughout the match. Took his time and pushed the leather only when necessary. He stalked like a cat waiting for the opening he desired and when that came he dropped his opponent for the count.

George Graves, "fancy dan," in the 156 pound open class took a split decision over Lee Hackney. The two 'Necks stood toe to toe and mixed it up with both of them recovering rapidly. Graves pulled in

TEAM CHAMPIONS—Lt. Col. E. L. Medford accepts the Team Trophy for 1st Bn., 4th Marines, after their team compiled the most points in the Novice class of the 3rd Hawaiian Area Marine Boxing Tournament.—PHOTO BY SGT. "SWEDE" WALSTEN.

a few more stinging blows to gain him the split decision.

Amos Johnson won on a TKO over Austin Bowers in the 178 pound open class. Johnson began connecting from the first and didn't stop until the bout was declared over.

Glenn Nakai and George Robinson were evenly matched with both men in there hitting hard when it counted. An excellent display of counter-punching was put on by both fighters. When the decision came down Robinson had won.

In the Novice class Donald Matsumura and Ralph Dollar took the 112 and 119 class titles respectively by being unopposed.

Jack Detro took the decision in the 125 pound novice class over Henry Walton.

132 pound novice Jose Ebanex TKOed Warner Leslie in the 2nd round.

Eugene Popovich took the decision

in a fast paced bout over John Brookman in the 139 pound novice. Kenith Allen out-punched Arthur Moody in the 147 pound bout.

In the Heavyweight class Harvey Semier came out strong and began charging like a bull after Preston Duncan. Duncan was hit hard from the opening bell and shortly thereafter went down for the count. This was probably the shortest bout of the evening.

Gabriel Terrones and George Chapman gave the judges a hard time in deciding a winner. The evenly matched bout gave both men a goal to fight for. Terrones was in there hitting hard and finally came out on top of the decision.

Terrones also copped the Outstanding Fighter Award.

The Novice Team championship was taken by 1st Bn., 4th Marines. Lt. Col. E. L. Medford, commanding officer accepted the trophy for the unit

Open team laurels went to 2nd Bn., 4th Marines with Lt. Col. F. C. Lahue accepting the award.

TSgt. L. Neault, coach of the Hawaii Marines Boxing Team, announced that his team will travel to Civic Auditorium July 14, 16 and 18 to compete in the OABA tourney. The winners of the OABA will go to Mexico City to fight for the Diamond Belt.

Competing for the trip to Mexico will be the Marines, Alea Eagles, Veterans Club, Hawaii Youth Organization and two men from the University of Hawaii.

Sgt. Neault said that he will keep some of his veteran fighters with the team but much new blood will be added.

Prospective new members are Eugene Terrones, George Walker, Jose Ebanex, James Adams, Clarence DeMello, Donald Matsumura, Eugene Popovich, George Chapman, Lee Hackney, George Graves and Ray Phillips.

Officials for the matches were, Referee, Luis Molina, Judges—Bobby Lee, Alfred Santiago and Raymond Cyrus. Announcer — TSgt. Sullivan and Chairman was TSgt. Neault.

Three Servicemen Take Top Honors

MCS, QUANTICO, Va.—Three servicemen and a civilian took top honors here in regional trials for the International Shooting Union Meet in Moscow during August.

August Westergaard, a civilian from Iowa, led the 65 competitors as he placed first in both the 50 and 300 meter free rifle matches. John H. Lucas, a Navy CPO, won the 25 meter international rapid fire silhouette match and Marine Maj. John M. Jagoda took first place in the international free pistol slow fire at 50 meters.

The fourth winner was Marine reservist George Van Orden III, national junior rifle champion for the past two years, who set an unofficial national junior record for the 300 meter free rifle match with a score of 1010-12x.

The winners, plus Lt. Frank F. Briggs and Lt. Hans M. Ewoldsen, San Diego MCRD, Calif., who were second and third respectively behind Westergaard, will compete for positions on the US team at Ft. Benning, Ga., June 9-28.—(AFPS)

If it's news, call the WINDWARD MARINE at 72104.

ROD and GUN CLUB

By TSGT. G. C. KELLEY

Rough weather over the past week-end prevented the Special Services Fishing Boat from making its regular week-end fishing trips, but Sgt. Blesser from Special Services and MSgt. Bruce from the Staff NCO Club made a nice catch consisted of two ono (wahoo), weighing 24 and 18 pounds and one mahimahi (dolphin) which scaled 16 pounds.

Surf-casting was very good over the week-end. One party consisting of SSgt. Drake, a civilian guest and this writer caught a total of 10 oio (bonefish) ranging from two to nine pounds on Saturday. Four more were caught on Sunday before the surf became too rough and the fish moved farther offshore beyond casting range. SSgt. Drake also caught a three-foot shark from the finger pier Wednesday evening. The finger pier is now on-limits to fishermen, but anyone fishing there must check out with the Duty Petty Officer at the Navy Boathouse. The entire area on the opposite side of the main runway is now a prohibited area from sunset to sunrise.

Next Wednesday at 7:30 p.m. is the monthly meeting of the Rod & Gun Club. The clubhouse is located directly across from the Navy Boathouse. New members are always welcome.

Sgt. L. Molina's K-Bay Scrappers Turn Hollywood

Kaneohe's Devil Pups, the name chosen by the Biddy Boxing team, traveled to the Honolulu Police Athletic League gym Wednesday to compete with other Island youngsters for television honors. Members chosen as "outstanding material" will battle it out on TV.

Sgt. Luis Molina, coach and trainer, of the Devil Pups brought 19 scrappers to the PAL gym. Molina stated that some of his boys' future bouts will be televised.

A Biddy Boxing tournament is slated to be held here but more entrants are needed. All parents who wish to enter their children in the boxing classes can bring them to the Hawaii Marine Boxing gym each day between 8 and 11 a.m.

Only those between the ages of 6 and 12 years are eligible.

Results of the PAL Tourney are unknown at press time.

Aku-Marines

Captain Hugh W. Roark

After months of being dry-docked, our boat should be back in the water by next week. The overhauled engine purrs like a kitten. All members are deeply indebted to C. O. Johnson, H. H. Raedel, and J. E. Walker for the long hours and hard work they have performed, not only in repairing the boat, but also for maintaining and repairing our compressor and all the gear. Let's give them a vacation by taking extra care of this expensive equipment. All members can assist by coming to the gear house early each meeting and working on the equipment and the club house.

HAWAII MARINE MERMEN QUALIFY FOR KEO NAKAMA

The Hawaii Marine Swimming and Diving Team qualified 19 men in 31 positions at the trials for the Annual Keo Nakama swimming meet to be held on July 10-13, 7:30 p.m. at the Waikiki War Memorial Natatorium.

The Marines are the Junior Men's title holders and are entered again this year in the same division. Each member of the team showed marked improvement as all times registered were better than those registered in previous meets.

This improvement of the team shows indication of retaining their All Marine title for the third straight year.

DON'T HIDE—Eddie Woods, hard hitting 147 pounder, waits for George Walker to show his face or leave an opening during the boxing matches held at K-Bay Monday evening. Wood took the bout by a knock-out. Walker received the "Outstanding Fighter" trophy. Sgt. Luis Molina was the referee.—PHOTO BY SGT. "SWEDE" WALSTEN.

WINNER'S CIRCLE—Col. Jack R. Cram, CO, MCAS, presents the "1958 Club Championship" trophy to Maj. K. B. Nelson at the Klipper Course Tuesday. Looking on from left to right are, "Medalist," MSgt. Al Greer, Cpl. Terry Wilson, "Runner-up," Maj. Nelson, Col. Cram, and Paul Harvey, winner of the "A" Flight and SSgt. William Richardson, "runner-up" in this division.

Hawaii Marine Softballers Regroup; Win 2 and Recapture Second Place

The Hawaii Marine Softball Team regrouped their forces and recaptured second place as they won two in a row in last week's inter-service league play. It took some clutch hitting and some fine pitching by Tex Hinojosa to pull the 'Necks through just when the attack seemed to falter.

Last Friday, against Naval Air at the Pointer's field, the Marines banged out nine hits featuring a game winning home run by catcher Jack Lennon with two on in the ninth, while Marine moundsmen Jim Brown and Tex Hinojosa gave up only 3 hits.

The Marines scored on in the first inning when Ed Post singled, stole second and third and crossed home on a passed ball. But the Pointers countered with two runs in their half of the first on two walks, one hit and a throwing error.

The Marines bounced right back with three runs in the second when Jim Brown walked and Bob Hammond blasted a 230 foot home run to score behind Brown. Paul Price scored run number three when he was safe on an error, stole second and was sent home on Ed Post's second straight hit.

Naval Air scored one more in the third and another in the sixth to knot the count at four runs apiece. Jim Brown was lifted for a pinch hitter and Tex Hinojosa came in to pitch for the Marines in the seventh inning. In the eighth, the Pointers threatened seriously when the first man up doubled, the second man beat out an infield hit, and stole second. Hinojosa then got one man to pop out, walked one to load the sacks and struck out the next two men.

That seemed to put life into the Marines for their half of the ninth, lead off man Hammond was safe on an error, Jack Mayberry was safe on a fielder's choice as was Paul Price. With one out and two on, Jack Lennon unloaded with a 250 foot smash to clear the sacks. Tex Hinojosa then stepped to the plate and lined a 2-2 pitch over the wall to end the scoring for the game at 8-4.

Jim Brown pitched six innings giving up one hit and fanning five. Tex Hinojosa got the win, however, pitching three innings allowing two hits and striking out six Naval Airmen.

Beside the three home runs by Lennon, Hammond and Hinojosa, Dave Kline had a double, Ed Post and Paul Price two singles each and Lennon also had a single to total nine hits.

Monday night at Pearl Harbor the Marines ran Naval Base out of second place behind the two hit pitching of Tex Hinojosa. 12 sailors went down via strike route.

The Marines scored both their runs in the third inning when Paul Price opened up with a walk, Dave Kline followed with another walk and then Tex Hinojosa lined a double to left to score Price and Kline. That was the extent of the scoring for the night.

The Marines collected four hits in the game including Hinojosa's two run double. Paul Price, Ed Post, and "Lupe" Hernandez each had one single.

The victory Monday nite pushed Navy back into third place one game behind the Marines. ServPac continued to lead the league.

ROAD RUNNER—SSgt. William Richardson drifts into a turn while practicing for the forthcoming overnight road rally to be sponsored by the Armed Forces Foreign Car Club. The overnight run will commence at 10 p.m., July 12, from the Honolulu Zoo parking lot. This run is not limited to sports cars, all foreign car drivers are invited.—PHOTO BY SGT. BRUCE HAMPER.

HAWAII MARINE BASEBALL TEAM HOLDS ON TO MAJOR AND INTER-SERVICE STANDINGS

By SGT. BILL EASTBURN

An even split of four games this week allowed the Leathernecks to hold their position in both the Hawaii Major and Inter-Service baseball circuits, 3½ games out in the Major League and leaders by 4½ games in the I-S loop.

The Leathernecks scored victories over SubPac by 9-1 and edged University of Hawaii 2-1 in a 10 inning mound duel while dropping a pair of contests to a rejuvenated Naval Air Hawaii by scores of 7-4 and 5-1.

In the latest contest hurler Bob Duliba notched his second win in a row at Kaneohe's Riseley Field as he whiffed 13 and sprinkled five

hits to the University of Hawaii. The win gave Duliba 8-2 for the season. He has struckout 26 men in the last 19 innings.

The collegians broke the ice with one run in the top of the tenth, but Marine third baseman Butch Grubbs poled a double in the home half of the stanza to score Dick Demblon and Jim Smith.

Shortstop Rudy Faust and outfielder Ernie Brooks blasted in three runs each to spark the Marines in a 9-1 rout of SubPac at the Raider's Millican Field.

Faust, who is a Leatherneck team captain, produced a 325 foot homer, a double and a single while Brooks collected a triple and a single. Dick

Demblon and Jim Smith both paired hits as the Leathernecks showered the outfield with an even dozen bingles.

Southpaw Don Furth was credited with his seventh victory of the season as he fanned 12 Raiders and allowed six hits. Furth issued seven free bases.

Bob Randolph, lanky Leatherneck righthander, has demonstrated more than a normal allotment of grit this season, but in two meetings with Naval Air Hawaii this week, fortune was not enough.

Manager Jim Hodges Navy airmen are riding the crest of a win binge which has netted them eight of their last nine games, and the Flyers counted twin upsets of Bob Randolph and the Leathernecks among their trophies of the week.

In both meetings with Navy Air, Leatherneck manager, Hap Spuhler started Randolph on the hill. In the first of the series, June 25, at Riseley Field, the Leathernecks bowed 7-4 after the Navy nine broke a 4-4 deadlock in the fifth frame.

Randolph worked 4 1/3 innings before Hap Spuhler replaced him with veteran reliever Bob Blaylock. The two hurlers gave up a total of 10 hits while their mates tabbed the Navy twirler for six bingles.

A repeat encounter at Quick Field, Pearl Harbor Marine Barracks, gave the Naval Air club a 5-1 triumph after the Marines went ahead 1-0 in the second stanza.

The lone Marine tally came when catcher George Davis rapped a single to score Ernie Brooks.

Naval Air scored four runs in the top of the fourth, sending Randolph to the showers and bringing in fireman Bob Blaylock. Blaylock worked through the eighth, giving up one unearned run and allowing four hits before Spuhler replaced him with Dick Demblon.

Demblon finished the game with a pair of strikeouts but Marine batting in the lower half of the ninth failed to produce and the Navy airmen went home with the chips.

1958 ATHLETIC PROGRAM INCLUDES B-S BASEBALL

One of the many new elements in the revised 1958 Brigade-Station Sports program went into effect on Tuesday afternoon, July 1 when the first pitch zipped plateward to open the current baseball season on the battalion level. Prior to this year, softball has been honored as the primary major sport of the summer months aboard the Station, intramuralwise, but with the introduction of a larger scale of activity on this plane, baseball, the "National Pastime," is being installed in its rightful position beside its underhanded counterpart.

Diamond representatives of the Hawaii Marines team will share their Riseley Field home with their Brigade-Station league "little brothers" throughout the present month, when seven teams, one from each of the major organizations housed aboard MCAS, swing into a torrid, 21 game single round-robin schedule. All of the contests have a 3 p.m. post time, and will be conducted on Tuesdays, Wednesdays and Thursdays insofar as conflicts

with the varsity schedule do not arise. Mondays and Fridays will be utilized, however, for compatibility's sake, when such instances occur.

As usual, in this program highly competitive, closely contested games are anticipated, with spectator interest reaching a maximum. Not the least of several chief factors leading to such high expectations, is the added incentive supplied by the presence of the Commanding General's Cup Trophy, and the Commanding Officer's Plaque which are awarded to units whose records in the overall program are most outstanding. Therefore, baseball, coming under the heading of Major Sports, contributes greatly to the achievement of these high awards.

Intervening to assist in the judicial category, will be the most qualified umpires available in the Islands, the members of the Armed Forces Officials Association of Hawaii. This is the group, incidentally, which provides the arbitrators for the Hawaii Major League and the Hawaii Inter-Service League, so competency will certainly not be lacking in this department.

Barring unforeseen postponements due to rainouts or field problems the wrangling should cease on August 14 and a champion will be proclaimed. The league's top team will then have the opportunity to prove beyond any dispute, their right to the throne room, when they play host to an aggregation of outstanding performers, comprising the Brigade-Station Baseball All Star Team, who will be selected by the seven coaches, and who will be directed on the playing field for the tentatively scheduled, best two-out-of-three game series, by the Coach of the Year.

In correspondence with the policy arranged for all Major Sports, a Baseball Banquet will be immediately in order following the All Star spectacle, whereupon awards will be presented to triumphant units, coaches and the more brilliant individual athletes, all of whom, with baseball at that time being only a memory of the past, will file out, probably to draw their football togs the following morning.

MSGT. AL GREER HAWAII MARINE GOLF CHAMPION

By JIMMY UKAUKA

MSgt. Al Greer, leading from the very first round in the 72 hole Hawaii Marine Golf Championship, increased his lead in every one of the four rounds played and ended up the winner by a comfortable nine stroke margin.

Playing with raw courage and sheer determination, Sgt. Greer called upon all the skill accumulated in his 25 years of golf, to win the tournament with hands that were swelled almost twice its normal size by an allergy that hit him just prior to the opening round.

Greer's 297 fashioned over the Kaneohe Klipper and Navy-Marine links were steady 73-75-73-76 rounds.

Cpl. Terry Wilson proved himself the "dark horse" of the tournament by finishing second and comfortably ahead of the third place winner by 10 strokes.

The date for opening the new nine holes at the Kaneohe Marine links has been set for Saturday July 19. Appropriate ceremonies are being planned, and all personnel here will be eligible to compete. Further details will be printed in the WINDWARD MARINE'S next issue.

The following tournaments have been scheduled for the month of July.

Saturday July 12 "Team Tournament." (Two players whose combined handicaps total not less than 25 and not more than 40 may team together.)

Saturday July 19, Opening of New Nine Holes.

Saturday July 26. "Sweepstakes." (Low net scores over 18 holes with full handicaps will determine the winners. 40-30-20-10 per cent of the total "pot" will be given in merchandise to the four low scorers.)

Sunday July 27, "Scotch Foursome." (A man and woman partner play as a team, using one ball and one half their combined handicaps to determine their net score.

Sports Calendar

One for the Books

The following books are available at your Station Library:

AN ISLAND KINGDOM PASSES—The concluding fourth volume of Kathleen Mellen's epic saga of the royal Hawaiian dynasty telling of the tragic events culminating in the annexation of the Islands by the United States.

COME DANCE WITH ME—Ninette De Valois, famous dancer and founder of Sadler's Wells School of Ballet, director of Sadler's Wells Ballet (now The Royal Ballet), writes her memoirs from 1938 to 1956.

CHILD PHOTOGRAPHY MADE EASY—By Josef A. Schneider.

ALL THE BEST IN JAPAN WITH MANILA, HONG KONG, & MACAO—By Sydney Clark, a book to enlighten the way for the increasing number of visitors to the islands of Japan.

BLOCKADE—By Robert Carse is the story of the gallant men and ships that made perilous runs to the only remaining open port in the South during the last years of the Civil War.

THE SLEEPING MOUNTAIN—By John Harris—A novel of an island faced with destruction and the efforts of a handful of people to save its people.

Theater Schedule

By SGT. SAM ZAGARELLA
 Two shows daily—6:05 p.m. and 8:20 p.m. at both Main Theater and 4th Marines. Movies at 4th Marines Theater are one day later than scheduled below. Matinees on Saturdays, Sundays and holidays at the Main Theater at 1 p.m. only.

TONIGHT
TARNISHED ANGEL — As stated last week when we goofed—this flicker was a best selling novel with the plot revolving about a New Orleans newspaperman who falls in love with the wife of a barnstorming pilot. An excellent movie for the adults. It is splashed with thrills and spills.

FRIDAY MATINEE
FORTY GUNS—For the tired and weary! Barbara Stanwyck returns to K-Bay screens as the high riding cattle queen Barry Sullivan portrays the federal law man who causes a big ballyhoo at the ranch.

FRIDAY
BROTHERS KARAMAZOV—Fyodor Dostoyevsky's classic. A gusty account of some wild shenanigans in czarist Russia that unhappily comes to a screeching halt about midway through the flicker. Yul Brynner plays Dmitri, a Lt., who is either scolding or taming wenches or throwing Russian type orgies. Lee J. Cobb is the lecherous father. Maria Schell as the luscious, volatile Grushenka.

SATURDAY MATINEE
ENEMY BELOW—A battle royal of wit and courage between the skipper (Robert Mitchum) of a U. S. escort destroyer on anti-submarine patrol in the S. Atlantic, and the captain (Curt Jurgens) of a German submarine. Excellent undersea photography of the submerged U-boat.

SATURDAY
MAN FROM GOD'S COUNTRY—Picture stars R. Stuart and G. Montgomery?

SUNDAY MATINEE
RIDE OUT FOR REVENGE—Westerner Rory Calhoun meets a challenge to his principles of fairness to the Indians when a Cheyenne chief kills Calhoun's nephew. Nothing great.

SUNDAY
SHOWDOWN AT BOOT HILL—Must we go into the morbid details of this? Let's just say that it stars R. Hutton and Charles Bronson.

MONDAY
APRIL LOVE—Pat Boone as the country boy being rehabilitated on his uncle's farm. Shirley Jones is the fair haired maiden. Reviews claimed this was great but those that saw it last time it was at K-Bay said it was poor. Take your pick.

TUESDAY
BITTER VICTORY—An intellectual war picture! Curt Jurgens, as the career officer and coward. Then comes the draftee Lieutenant who hates military life and ends up being a real leader after accompanying a Commando unit on a perilous sortie. The film lacks clear definition of character so that the motives are vague and confused.

WEDNESDAY
THE BIRDS AND THE BEES—The dry humor of one George Gobel and the lovable charm of Mitzl Gaynor make this delightful comedy a hit.

THURSDAY
ROCK PRETTY BABY—There will be swooning in the swinging theatre tonight when Sal Mineo hits the screen. The swooning will be done by the feminine teenagers not the Marines! If you dig the rock 'n roll sounds then flip your dime into the slot and make it on down the aisle.

CONCERT at 8 p.m. tonight at the Academy of Arts. Adolph Baller, pianist and Gabor Rejto, cellist. Free.

49th STATE FAIR at the Honolulu Stadium. Jaye P. Morgan and the Morgan Brothers are featured entertainers. Thrill acts and midway entertainment. 75 cents entrance tab.

ART MART Saturday at the Honolulu Zoo fence. Exhibits by Island artists. Free.

PALI PALMS HOTEL, just outside the gate, is gaining popularity with the marvelous buffet lunches served daily.

THE LITTLE HUT at the Tiare Room of the Hawaiian Village Hotel. An Oumansky Magic Ring Theatre production. Curtain rises at 8:30 p.m. and tickets are sold at the door.

JAZZ at its finest Sunday afternoon at the Club Gimbasha. Eddie Cano's group gets the place rocking.

MEL TORME opens at the Clouds this Friday. The "velvet fog" will be bringing in the crowds so make your plans in advance.

AQUACADE at the Diamond Head pool of the Hawaiian Village Hotel, Friday evening at 8 p.m.

AROUND THE WORLD IN 80 DAYS at the Kaiser Dome. Tickets are \$1.50 and \$1.80 for adults and 90 cents for children. All seats are reserved. Call 991-336 for reservations.

ANDY'S EBB TIDE features the Windward's only piano bar with Henry Mucha serenading you at the "88" each night from 8-12 p.m. A dance trio entertains on weekends.

A doctor in Detroit was sued by a woman who said that when she entered a hospital for treatment of an injured hand, she was rushed to the operating room and her gall bladder was removed.
