LtColonel R. F. Shields Is New Exec for Air Station

MARINE CORPS DISTRICT OFFICE
JAN 29
ARC

LtCol. Robert F. Shields became Marine Corps Air Station Executive Officer Sunday, succeeding LtCol. F. E. Hughes.

Col. Hughes departs K-Bay tomorrow for new duties with the 2d Marine Aircraft Wing at Cherry Point.

Col. Shields reported to K-Bay July 1962 from MAG-15, El Toro, where he served as S-4. Upon his arrival he assumed duties as Station Special Services Officer until his present assignment as S-4 officer in April 1963.

A veteran pilot of World War II and Korea, he was commissioned a Marine second

served as Station S-2 since his arrival at K-Bay in July 1962.

Maj. W. J. O'Brien, Assistant S-4, will assume duties as Station Development Officer. He arrived at K-Bay in November of this year from the 3d Marine Division where he served as Operations Officer at Division Schools.

BrigGen. M. E. Carl
New Brigade Commander

Gen. Carl Takes Brigade; Gen. Youngdale to Saigon

Brigadier General Marion E. Carl has taken command of the First Marine Brigade.

Change of command of the Pacific air-ground team was marked informally yesterday morning as BrigGen. C. A. Youngdale passed the Brigade Battle Color to Gen. Carl.

Gen. Youngdale ordered his personal flag hauled down from the pole on the Station Administration Building. Gen. Carl ordered his run up, marking his assumption of command.

Gen. Youngdale was scheduled to leave by air from Hickam AFB last night for Saigon. His new duties will be as J-2 (Intelligence) on the staff of the U.S. Military Advisory Command in Vietnam.

Gen. Carl put on his stars, designating his promotion to brigadier general, at approximately 8 o'clock yesterday morning.

The ceremony took place in the Brigade commander's office. Attending were major Brigade commanders, general staff officers and Gen. Youngdale. Mrs. Carl and Mrs. W. W. Nettleship, a cousin of Gen. Carl visiting from Yakima, Wash., pinned the General's stars on his collar.

The change of command was actually scheduled to take place in front of the administration building shortly after morning colors.

In an unscheduled "surprise," however, Gen. Carl was instead escorted to Dewey Square where he received his first military honors as a Marine flag officer.

The honor guard was composed of members of M-3/4, commanded by Capt. John Kennan, and the Brigade Band. It was the same guard (See "New CG," page 3)

lieutenant in July 1943. He was promoted to his present rank November 1960.

Col. Shields' personal decorations include the Distinguished Flying Cross, Bronze Star Medal with Combat "V" and four Air Medals.

Col. Hughes, also a veteran aviator of World War II and Korea, came to K-Bay in January 1961 and served as S-2 Officer until November 1961, when he moved to S-3. He has been MCAS ExO since April 1963.

In other major Station changes, Maj. John Padach Jr., now Station Development Officer, will become the new S-4 Officer. Maj. Padach has also

Tons to Dollars to Weddings

Facts and Figures Reveal K-Bay Air Station Chalks Up a Busy, Bustling, Bountiful 1963

How busy can a Marine Corps Air Station be in one year?

In round numbers (dollars, tons, prescriptions, gallons, landings, et al.), here's how just some functions of the Station and Brigade did business, statistically, in 1963.

Station Disbursing counted out more than \$24.5 million. Over \$15 million was paid to military personnel. Another \$3.5 million went to K-Bay's civilian employees and open purchases cost over \$5.5 million.

Public Works Motor "T" division wheeled vehicles over more than 1 1/4 million miles of Station and State roads.

Airfield Operations recorded over 112,000 takeoffs and landings on K-Bay runways. Over 7800 were GCA approaches.

Flight Clearance processed more than 400 flight plans and the Stations' Search and Rescue Team was alerted 15 times, making eight actual "saves."

K-Bay's mobile mores snagged 5700 planes.

Over 3 million cars passed through K-Bay's main gate.

K-Bay's Comm Center processed nearly 73,000 messages. About one third were incoming.

The Station Dispensary reported a one percent plus increase in its '63 service. Nearly 60,000 out-patients were seen including 2700 emergencies.

Some 58,000 prescriptions were filled, 13,000 x-rays taken, and nearly 10,000 immunizations administered.

K-Bay dentists were visited over 19,000 times, filled almost 17,000 teeth, extracted nearly 1500, x-rayed over 10,000, and cleaned more than 4000 mouths full of teeth.

Over 180,000 perused the Station Library's 16,000 volumes. Checkouts totalled over 160,000 (and about 7300 persons were tardy in returning books).

Public Works spent more than \$136,000 to improve K-Bay facilities. Another \$1.5 million was spent maintaining existing facilities.

K-Bay's rifle and pistol ranges qualified almost 7000 Marines with the M-14 and M-1 for a combined average of 94.8 percent. Over 2200 Marines fired expert.

More than 1800 pistol shooters fired the .45 caliber pistol at a requal rate of 95.4 percent and about 160 fired

the .38 caliber revolver to score 99.7 percent.

Almost 2 million rounds were expended, plus nearly 3000 shotgun shells for "fam" firing.

K-Bay's messhalls fed almost 4 1/4 million people at a cost of over \$4.5 million. Approximate consumed quantities: Milk, 280,000 gallons; ice cream, 17,000 gallons; bread, 243 tons; potatoes, 460 tons; coffee, 14 tons; and five tons of turkey (See "Station Stats," page 8)

General Youngdale:

'Saying Goodbye to K-Bay Is a Difficult Thing to Do'

"Saying goodbye to officers and men of the First Marine Brigade and their families, and everyone else at K-Bay, is about as difficult as anything I've ever had to do as a Marine."

These were the words of Brigadier General Carl A. Youngdale who relinquished command of the Brigade yesterday morning. He was scheduled to depart by air last night for Saigon for new duties as J-2 on the staff of the U.S. Military Advisory Command in Vietnam.

In an interview with the Windward Marine earlier this week, Gen. Youngdale said he found it hard to put into words his feelings, and those of his family, upon departing K-Bay.

"As Marines, we're not supposed to be too sentimental," the General commented, "but that's easier said than done when it comes to the Brigade and Kaneohe Bay. I have, however, attempted to express some of my genuine personal appreciation in writing and I have requested my remarks be published upon my relief."

In his remarks Gen. Youngdale writes, in part, of his appreciation for the "loyal support and the warmth of the friendships shown to me and my family during the past 11 months."

He goes on to cite the many honors won by the Brigade during the past year which have been "a source of great professional and personal pride to me."

Gen. Youngdale also makes special mention of the Air Station command, expressing his appreciation to the Commanding Officer and Station personnel for "the excellent support rendered to the Brigade." Without this (See "General Says," page 3)

Relief Group Gives Loans, Counsel, Aid

K-Bay's Navy Relief Society has a slogan: "Marines take care of their own."

And to prove it, the branch has some pretty startling figures to back it up.

During the past year the local branch interviewed 371 Marines and Navymen and granted them loans exceeding \$23,695. A total of \$1638.82 was made gratuitous to 50 of them.

In addition, 321 people came to the office for counseling and help and 48 layettes were handed out amounting to \$25 each.

To accomplish these statistics it took volunteer women and 17 interviewers 1289 hours; 18 typists worked for 699 hours and 17 receptionists turned-in 783 hours.

To keep their program moving at a fast pace, the Society begins its two-session course Wednesday for volunteer women desiring to participate in Navy Relief work.

The class, being instructed by Mrs. Dorothy Millard of Pearl Harbor, commences at 9 a.m. at the Crossroads. Call 72531 or 72868 from 8 a.m. until noon, Monday through Friday, for additional information.

dividing the total of points scored during the quarter by the average number of employees on board. One point is earned for each suggestion submitted, three points for each suggestion adopted and five points for each \$50 in awards during the quarter.

The plaque will be rotated among the divisions in the winning unit until April 1. It will then be awarded to the unit for the highest participation rate for the quarter ending March 31.

Care for the Soul Because Your Body's Certain to Die

By Chaplain L. D. Ward

Quo Vadis?

Unless you're really interested in yourself, don't bother to read any further than this!

There are really very few people who don't believe in a Supreme Being. I'd venture to say that there are very few such people who will bother to read this article.

Man, as we generally believe, is composed of a body and of a soul. We know, certainly, that the body dies. Because everyone of us, whether we like it or not, is bound to

die it would seem rather important to consider what happens to our spiritual nature. This we can do through religion.

That which animates our body is called our soul or our spirit. It is our essence — what make us tick. Care of this spiritual nature comes under the heading of religion. Religion, in turn, is the link that joins us to God.

If we were to take an actual census and find out how many people on this station are not doing something about their spiritual nature, we'd be shocked. If everyone who believes in a spiritual nature were to worship in our chapels on the days appointed, there would not be room enough! We'd need extra chapels and Chaplains!

Quo Vadis? Whither goest thou?

Invade the wonderful world of God and you'll find out! Seek out God through formal religion and you'll find a peace, a joy which you never dreamed could exist!

Aloha... General

While on a tour of duty in Hawaii, the word "aloha" becomes about as common to a Marine's vocabulary as the word "sir." Synonymous with Hawaii, aloha is frequently used in many ways to say or mean many things.

When classified by significance, however, there are really only two alohas which never really fade. Usually, one is joyful, the other saddening.

Last February, the First Marine Brigade and all K-Bay extended a joyful aloha to a new Brigade commander and his family. It was a happy occasion, indeed. BrigGen. Carl A. Youngdale was taking command of a proud Marine combat outfit, a feather in any general's garrison cap. At the same time, the Brigade gained another top Marine Corps leader to steer it in the months to come.

In a short 11 months, however, it has become necessary to extend the other aloha — the sad one — as Gen. Youngdale moves on up his career ladder to new challenges.

Earlier this week, the General commented to the Windward Marine of the difficulty he experienced in saying goodbye to the Brigade and all K-Bay. The General must know that Brigade Marines and all K-Bay will know the same kind of difficulty in saying goodbye to him and his family.

And he wrote in his parting remarks of the warmth of friendships shown him and his family. This, too, is a two-way street. These friendships were generated in great measure by the Youngdales with the genuine warmth they displayed in their associations here.

Such friendships as they have established while at K-Bay may be interrupted by separation, but they will not perish.

Just as you and your family will miss K-Bay, General, so will K-Bay miss all of you — very much.

We wish you all that is good with the traditional Hawaiian farewell:
Aloha.

Competition Starts at 8 a.m.

Seven Brigade Drivers Enter Rodeo

Seven top Brigade drivers are slated to display their driving skills tomorrow during the Oahu Fleet Safety Organization's Annual Rodeo competition.

The Rodeo will be held at Army Transportation Pier 39 starting at 8 a.m.

In addition to trophies, cash prizes of \$25, \$15 and \$10 for 1st, 2d and 3d places, respectively, will be awarded the top OFSO drivers of civilian and military units.

As a member, the Brigade is assisted in its off-station safety program by OFSO and the City and County of Honolulu Traffic Education Division of the Department of Traffic.

The Brigade team was selected earlier this month after a competition run-off consisting of a written test, skill test in close quarters and a road test. They were

conducted by judges from the Station's License Examiner's Office.

Representing the Brigade team, led by Capt. R. A. Fugate, 4th Marines MTO/Safety Officer are: LCpl. G. A. Brewer, HqCo—4th Marines, with PFC. W. E. Tate, 3/12,

as alternate in the sedan category; PFC. D. R. Grauley, 1/4, and alternate, PFC. D. Baumgarner, 3/12, pick-up; LCpl. P. A. Mizener, 1/4, and alternate, LCpl. G. E. Hoover, C—Motors, in the 1½-ton stake class and Sgt. K. F. Nitta, 2/4, in the semi competition.

support, he writes, many Brigade achievements and programs could not have been accomplished.

Of BrigGen. M. E. Carl, new Brigade Commander, Gen. Youngdale writes: "I know that with your loyal support and his professional guidance, for which I have great regard, this Brigade will continue to build an even better professional reputation and earn more honors during the coming year."

"I have felt the pulse of deep loyalty to both organization and fellow Marines throughout this Brigade. I shall always look back with profound pride at my tenure as Commanding General."

Hawaii Marines Slide in Home Series With Ruff Rangers, Redskins, Raiders

The Hawaii Marines basketball team's winning streak was snapped by three losses to Army, 84-82; Utah, 87-77 and SubPac, 96-80 in games played at Hangar 103.

In the SubPac game, the 'Necks outpointed the Raiders from the floor. However SubPac's free throwers beat the Marines on the charity line.

Led by Don Smith, Chuck Caldwell and Al Komondy, with 27, 22 and 20 points, respectively, the Rangers took

the play away from the 'Necks in the last 45 seconds. Al Komondy scored the winning basket.

Leading at the half, 42-41, the Marines stretched their lead to 13 points. With 2:59 the gap and tied the score remaining, the Army closed at 80.

The 'Necks made a desperate try to regain the lead. Al Komondy drove through a hole in the defense on a lay-up to eke out the 84-82 victory.

Dick Markowitz was top scorer of the game with 31 on 13 field goals and 5 for 8 free throws.

Hitting doubles were Pastrell, 14; Mullen and Stallsmith, 10 each.

In the game against Utah Friday the 'Necks thrilled 1300 fans when they tied the score, 52-52.

Trailing the Runnin' Redskins the first half, 42-35, the 'Necks returned strong to close the gap.

Darrell Pastrell tied the score on a field goal. Bill Connolly hit a two-pointer twice to give the Marines a 56-55 edge with 12:05 remaining on the clock.

The Utes started pulling away with less than 10 minutes to go.

Coach Smith's quintet became troubled with fouls in their attempt to control the ball. This proved costly. In the last three minutes and 10 seconds the Redskins sank 11 for 12 free throws.

Once again Dick Markowitz was the game's leading scorer with 29 points.

Pastrell hit four on seven field goal attempts. Connolly took 11 tries for six goals. Markowitz attempted 21 shots for eight goals.

Three 'Neck Cagers Lead All-Stars Over Utah, 86-77

Marines Dick Markowitz, Bill Connolly and Darrell Pastrell responded to All-Star Coach Kiyoshi Matsuo's call, to upset the Utah Utes, 86-77, at Bloch arena Saturday night in the Armed Forces basketball game.

Before a crowd of 2500 the All-Star 'Necks put on a display of hustling and shooting that will be long remembered by those fans—and Utah.

Trailing at the half, 43-33, the All-Stars caught and passed the Redskins on a field goal by Markowitz.

SubPac's Leroy Jackson opened the second half with four straight goals. His rebounding gave the Stars control of the ball.

Holding a one-point lead, Coach Matsuo unleashed the dependable Marines trio. They scored 28 of the last 35 All-Star points.

For the entire game the 'Necks contributed 39 — Markowitz, 17; Connolly, 13; and Pastrell, 9.

The All-Stars pressed the Utes constantly. This was costly as the Redskins were able to hit only 31 percent of their goals.

On the free-throw line, the Utes hit 58.3 percent.

The All-Stars had a 68.7 percent at the line. They scored 29.2 percent from the floor.

George Fisher was the leading scorer of the game with 21 points. Other Utes scoring doubles were Chuck Currington, and Floyd Taylor, 11 each. Granny Lash had 14.

Eugene Lake and Leroy Jackson, SubPac Raiders, scored 14 and 15, respectively.

The Utah Redskins suffered the second defeat of their four-game series in Hawaii. The other loss was to the University of Hawaii Rainbows in the opener.

Particular delight in the All-Star victory was enjoyed by the 'Necks who were the

stalwarts of the game. The night before they had been humbled by the men from Utah at Hangar 103. Coach Gardner's Braves won, 87-77, over the Hawaii Marines.

Darrell Pastrell, a former Utah Redskin, displayed a wide grin as he shook Coach Gardner's hand and said "Nice try, Coach."

The Marines had won the game on the free-throw line, hitting 20 for 29.

Kaneohe Keikis Win First Youth Basketball Tilt, 11-9

The K-Bay Keikis defeated the Pearl Harbor girls basketball team, 11-9, last Sunday at Bloch Arena.

This was their first victory in the Hawaiian Armed Services Youth Basketball League.

Linda Barbee scored the winning basket with less than a minute left.

Susan Hill was high scorer hitting for 8 points. Playing supporting roles were Susan Youngdale, Zada Robinson and Nickie Nichols.

The Keikis led at halftime, 5-2. Their next game will be at Hangar 103 Feb. 1.

In other games K-Bay's Spartans bowed to the Pearl Harbor boys, 37-32. Coach Joe Garza expertly substituted the six players he had.

Losing Stacey Wright early in the third period on fouls, the Spartans controlled the ball well, but tired against frequent opponent substitutions.

The K-Bay Panthers won the

Little Fellers League game from Makalapa, 32-27.

More K-Bay youths are needed for participation in the Hawaiian Armed Services Youth Basketball League.

Interested cagers can report to the practice sessions or call Sgt. Glenn Hill at 72978.

Alleys To Open Feb. 10

Due to installation of additional spectator seats and snack bar remodeling, the Bowling Alley will not open until Feb. 10.

"If all goes according to plan we will be ready to roll Feb. 10," said SSgt. Vic Capovic, Bowling Alley NCOIC.

The lanes were originally scheduled to open Jan. 27.

The new guide is scheduled for distribution to all services late this month.

Defense To Study Report On Smoking, Lung Cancer

The Public Health Service's widely publicized cigarette report linking smoking to lung cancer is now under military study for an official Armed Forces position on the matter.

Department of Defense officials said the report is now being reviewed by Surgeons General of the Armed Forces.

A comprehensive look into the report, relative to the health and welfare of service men and women, is expected to take several weeks.

In short, the cigarette report says: "The greater the number of cigarettes smoked daily, the higher the death rate from lung cancer, pulmonary diseases, cardio-vascular diseases, etc."

In the past the Armed Forces have reminded military personnel of the "ever-increasing evidence linking cigarette smoking with cancer."

An Air Force letter in Sept. 1962, directed that "cigarettes not be accepted for free distribution in the USAF hospitals, nor will they be placed in flight lunch boxes."

"To allow the free distribution of cigarettes in our hospitals and in flight lunches," the letter explained, "suggests to our personnel that the Air Force Medical Service, in effect, condones cigarette smoking."

However, the Defense Department noted that free cigarettes are still distributed to patients in some Army and Navy hospitals. (AFPS)
