'Once A Marine,' by Gen. Vandegrift K-Bay's Choice as Book-of-the-Month

By Maccine Titus
Chief Librarian

"Once a Marine," by Gen. A. A. Vandegrift, is the Book-of-the-Month for June at K-Bay's Library.

The hero of Guadalcanal, known particularly for that bloody, heroic victory against overwhelmingly superior numbers and materiel, tells his story. Gen. Vandegrift lived with adventure and achievement from the moment he joined the Marine Corps in 1909.

He first saw action in Nicaragua serving under the legendary Smedley D. Butler. During WW I he was in China where he first saw the Japanese fighting man in action.

The invasion and capture of Guadalcanal was the turning point of the war for the Pacific and therefore of paramount strategic interest. Here it is told in fascinating detail by the one man who knows it best.

Here also is his personal narrative of the taking of Bougainville, Iwo Jima, and the great victories culminating in Okinawa.

Toward the end of WW II, Gen. Vandegrift became Commandant of the Marine Corps and devoted his energies to saving that magnificent cadre.

In all, he is a man who

Chaplain's Corner

Love for Others Is Easier To Master than Self-love

By Chaplain W. G. Tennant

Milton H. Keene tells a story about a "tall man in a light-gray topcoat who was seeing his friend off. As the train came to a grinding halt that sent sparks showering from the brake shoes, the man gripped the hand of his younger friend and said, 'Goodbye Joe—be a good friend to yourself.'

"Then the train slowly eased out of the station and soon diminished into a speck swallowed up by the heavy gray of the wintry morning."

But why was that farewell word, so different, so grandly unlike the stereotyped hellos and alohas that go for a dime for a dozen? It had come spontaneously, without the slightest conscious premeditation.

"Be a good friend to yourself," the man had said happily, with that parting handclasp.

Many a man has been obliged to make one sad, secret confession to himself. Behind closed doors, with a lump in his throat that couldn't be downed, he eyed the forlorn image in the mirror and chokingly admitted that for all intents and purposes, he never had been a very good friend to himself—in fact, he'd been his own worst enemy.

By and large, it's far easier a matter to be a good friend

to almost everybody else—than one's self. Strange as it may seem, it is easier by far to treat other people well than to treat yourself well.

Many a person who would give a friend a break refuses for some strange reason to give himself a break.

Words of encouragement that are so near the tongue, to help another in his struggle—are never offered to one's own self as a kind of spiritual stimulus or morale builder.

People cheat themselves out of health, happiness, even hope, as they would never think of cheating even the slightest acquaintance—much less a close friend.

An art people need to master far better than most have is the art of being a good friend to themselves.

Words that ought to be pondered are those of the classic utterance, "Thou shalt love thy neighbor as thyself." Which seems to mean—love yourself well; then love others as well.

One Point Final Meet Victory

Marine Thinclads Undeclared in Hawaii

The Hawaii Marine thinclads won the 53rd annual State AAU Track and Field Meet Saturday by one point over the University of Hawaii and Spikesters.

This was the final meet of the season for the Hawaii Marine cindermen. They have been undefeated by local competition this season.

The 'Necks were in second place prior to the running of the final event (the mile relay). First place was held by the Spikesters with 52 points followed by the Marines with 50 and the UH Rainbows with 47.

Only three teams entered the mile relay. They were the Marines, Rainbows and Army. The Spikesters scratched from the event because their relay team composed of high school quarter-milers did not show up for the meet.

A second place finish was enough to give the 'Necks the team championship by one point. The Rainbow runners finished first to score five points and finished in a tie for second place with the Spikesters.

Willie Higgs won the triple jump with a leap of 42' 7 3/4". He also placed third in the broad jump. The Marine track star had been sidelined most of the season with a broken shoulder.

Aubrey Dooley won the pole vault with a vault of 13' 10" for the 'Necks only other field event win.

The 'Necks were able to come through with only one win in the track events. Brandon Black put on a burst of

speed to win the 880-yard run. He was clocked at 1:53.5.

Two records were broken Saturday during the meet. Rainbow's miler Allan Birtles broke his own 1963 mile record of 4:12.9 by more than three seconds. His time of 4:09.7 is the fastest mile ever run in a championship meet by a locally registered athlete.

Spikesters distance runner Harold Cole set a new mark for the three-mile run. He shaved 13 seconds off of the old record set by Harold Kuha. The new time is 14:47.2.

In the finals of the six-mile run held on May 20, Harold Cole also set a new record. He ran the course in 31:21.1 to break the old record of 32:22.0.

'Neck Nine Defeats Army 6-5, NavAir 3-1

The Hawaii Marine Baseball Team added two wins and a loss to their record last week during play in the Hawaiian Armed Forces Inter-Service League.

Last Tuesday evening Frank Copper hit a solo home run in the eighth in-

ning to pace the 'Necks to a 6-5 win over the Army.

Army tied the score 5-5 in the top of the eighth inning on a homer by Xavier Guedea. Army's John Casprowitz and Guedea both hit two round-trippers for the losers. Len Cather was the start-

ing pitcher for the Marines. He was relieved in the seventh by Jim Helms.

Sewell Street pitched four-hit ball and tripled in a run as the Marines edged the Nav-Air-Admirals 3-1 last Wednesday.

Street struck out 14 to gain his seventh win against three losses. The game was played at Millican Field.

Home runs by SubPac's Roy Franklin and Al Souza enabled the Raiders to edge the 'Necks 8-6 Sunday at Millican Field.

Home runs by Bob Vostry, Frank Slapikas, Jack McDonald and Rodney Miller were to a losing cause for the Marines.

A double-header upset was handed to the K-Bay Softball Squad last Thursday when they were defeated twice by Pearl Harbor.

Both games ended with scores of 2-1 in favor of the K-Bay opponents. In other games played this week the 'Necks handed NavComSta a 8-0 loss and beat the Army 9-0.

In the first game of the double-header, Gerald Burton was charged with the loss. He limited Pearl Harbor to two hits while striking out five.

Pearl Harbor scored their runs in the fifth inning on a single, a fielder's choice, a sacrifice and a long fly ball.

The K-Bay squad had five hits but was able to push only one run across the plate. The run came in the fifth when Chester Moshier hit a single and came home on a throwing error.

In the second game Bob Kendrick took the loss. He struck out 12 and gave up only three hits in going the distance.

K-Bay's only run came in the fourth when Willard "Kit" Kittrell hit a homer over the left field fence.

The 'Necks got back on the winning trail Saturday when they faced NavComSta.

Gerald Burton and Leon Russell limited the Sailors to three hits while shutting them out 8-0.

K-Bay scored three runs in the first on two walks, a

single and a triple. They scored five more runs in the fifth inning on a walk, a fielders choice, three errors and a single.

Burton issued one walk and struck out four in the four innings he pitched. Making his first appearance of the season, Russell limited NavComSta to one hit in the last three innings.

Kendrick shut out the Army 9-0 Tuesday evening at Schofield. He struck out 16 batters while giving up no walks and no hits. One Army man reached first base on an error.

K-Bay scored two runs in the first, one in the second, two in the third, two in the fifth and two in the sixth.

The K-Bay squad now has a 9-3 record for the season with one make-up game to be played. They are tied for second place. Only percentage points separate the top three teams.

Student Job-Seekers Need Cards

K-Bay students planning to work this summer are reminded that many employers will hire only persons having Social Security cards.

"Every student seeking a summer job or who is graduating this year should get his Social Security card now," said Harold S. Burr, District Manager, Honolulu Social Security Office.

Students who get jobs

should show the card to the employer, so the name and number may be copied exactly. This is important, so Social Security money may be credited to the correct record.

New cards or duplicate cards for those who may have lost them are available at the Social Security Office, 1181 Alakea St., Honolulu, Hawaii 96813.
