APPENDIX A: RUSSELL EGNOR BIOGRAPHY

Russell D. Egnor

Chief of U.S. Navy News Photography
Senior Chief Journalist

Russell D. “Russ” Egnor entered the Navy in Detroit, Michigan on June 4, 1954 and completed Recruit Training at Great Lakes, Illinois.

After serving 18 months in shore patrol, he transferred to Kodiak, Alaska and served with the Armed Forces Radio and Television Network there until 1958.

He then reported to Great Lakes for Journalism School and upon completion, transferred to the Navy’s Military Sea Transportation Service, today’s Military Sealift Command.

In December 1960, Egnor reported for duty aboard the heavy cruiser *USS Helena* (CA 75) homeported in San Diego. He was later transferred to Staff, Commander First Fleet aboard *Helena* and then to *USS Saint Paul* (CA 73) when *Helena* was inactivated.

Egnor transferred to the Chief of Navy Information (CHINFO) in 1963 where he served on the News Desk and in the News Photo Division. He was one of the only enlisted journalists to serve as a Media Officer on the News Desk where he responded to media queries from the Pentagon Press corps and the national press. During this tour, he deployed on the first world cruise by surface nuclear powered ships. He embarked *USS Enterprise* (CVAN 65), *USS Bainbridge* (DLGN 25) and *USS Long Beach* (CGN 9) to prepare feature news and hometown news stories for the Sailors on this historic mission.

In 1966, Egnor was one of 13 Navy students and 2 Marines selected to attend the third Navy/Syracuse one-year program in photojournalism. Egnor graduated from Syracuse in 1967 and reported to the U.S. Pacific Fleet Combat Camera Group in San Diego and later to Combat Camera Group Detachment Saigon, Detachment Alfa, in the Republic of Vietnam. Egnor traveled extensively throughout Vietnam, shooting photographs and preparing material on combat operations and Navy life in Southeast Asia for national release.

Egnor also served in Seoul and Panmunjom Korea to cover the negotiations for the release of *USS Pueblo* (AGER 2) and its crew from North Korea.

After a brief return to the United States, Egnor conducted a second tour as a combat photojournalist and traveled throughout Thailand, the Republic of the Philippines, Okinawa and Vietnam. For a five-month period, he was the only photojournalist in Vietnam with the Combat Camera Group.

Upon release from active duty in 1969, Journalist First Class Egnor joined the Navy Reserve and served in Public Affairs Units drilling in Norfolk, Little Creek and Oceana, Virginia. He also began his Navy civilian career during the same period with the Military Sealift Command in Washington D.C., eventually being promoted as the command’s Public Affairs Officer.

In 1982, Egnor became the head of the Still Media Division of the Naval Photographic Center – later renamed the Naval Media Center – at Naval Station Anacostia, Washington D.C. In 1986, Egnor became the Director of the Still Photo Branch within the Media Operations Department in CHINFO.

APPENDIX A: RUSSELL EGNOR BIOGRAPHY (CONTINUED)

While in the Navy Reserve, Egnor was promoted to Chief Journalist and later, Senior Chief Journalist. He frequently deployed with active duty ships to produce print and photo features for release to the civilian media. His last reserve assignment was as the Command Chief for the Naval Reserve Public Affairs Center 106 in Norfolk. After more than 34 years active and reserve naval service, Egnor joined the Retired Reserve in 1989.

While serving as Director of the CHINFO Still Photo Branch, he spearheaded the transition of the Navy's photo program into the era of digital imagery. His early vision of embracing digital photography to document and report on Navy news around the world resulted in wide National and International photographic coverage of naval operations around the world to include operations in Haiti, Bosnia, and the Persian Gulf.

The National Press Photographer's Association (NPPA) recognized Egnor's contributions to photojournalism by awarding him the Kenneth P. McLaughlin Award of Merit in 1997.

His military awards included the Joint Service Commendation Medal, Navy Commendation Medal, Navy Achievement Medal, Combat Action Ribbon, Presidential Unit Citation, Meritorious Unit Commendation, Good Conduct Medal with 3 bronze stars, Naval Reserve Meritorious Service Medal with one star, National Defense Service Medal, Armed Forces Expeditionary Medal for Korean Service, Vietnam Service Medal and the Republic of Vietnam Campaign Medal.

He was a member of the United States Navy League, Fleet Reserve Association, U.S. Naval Institute, Association of Naval Aviation, U.S. Navy Public Affairs Association and a charter member of the Association of Naval Photography.

APPENDIX D: WRITING CATEGORY NOTES

If an entry was published in a printed product first, add the page number, the date, the complete name of the publication and/or the website URL in which the articles first appeared.

Use the appropriate version of the following examples:

- Story was originally published on Page 12 of the Feb. 12, 2020, issue of “Publication Name.” It may also be found at <URL>.
- Story was originally posted to the Base X website on Feb. 12, 2020, and may be found at <URL>.

DVIDS and published versions must be the same with one exception: to make *minor* corrections. If corrections are made, an explanation must be provided as the last line of the DVIDS version. Here are two examples:

- This version differs from the article published in the Feb. 12, 2020, issue of “Publication Name” in that John Peter’s name has been corrected.
- This version differs from the article posted Feb. 12, 2020, on the Installation X website. It was updated Feb. 15 to correct the address for the family center.
